FOR THE MONTH OF AUGUST 2025

Dear Parents,

August, wrapped our Kindergarten in hues of pride and celebration. The flutter of the tri-colour on Independence Day filled our little ones with joy, their innocent voices rising together in songs of love for the nation. Moments like these remind us how even the youngest hearts can carry the spirit of unity.

This month also unfolded as a canvas of creativity puzzles solved with gleaming eyes, clay shaped into magical forms, mystery boxes explored with wonder, and riddles answered with giggles. Each event was more than a competition; it was a stage where confidence blossomed and imagination took flight.

As always, behind every tiny step stood your constant encouragement and love. It is your support that gives our children the courage to dream, to express, and to celebrate themselves with joy.

Together, let us continue to make each day of learning a story worth remembering a story woven with discovery, delight, and the gentle rhythm of childhood.

With warm regards,
Pritha Charles
Head of Kindergarten

A Tribute to the Heart of KINGS SCHOOL Founder's Day 01- 08 - 2025

The morning of Founder's Day at KINGS School began with an air of reverence and gratitude. The celebration opened with a solemn prayer, setting the tone for a day dedicated to honouring our beloved Founder, Uncle Colin the visionary whose dream laid the foundation for our school.

In a touching moment, our students stepped into the role of Uncle Colin, enacting his presence and delivering heartfelt speeches that echoed his values and life long commitment to education. Their performances brought alive the spirit of his leadership and inspired everyone present to reflect on the strength of his vision.

As a gesture of love and respect, students and staff offered handmade cards filled with messages of appreciation. Each card carried a piece of gratitude, a reminder of how deeply Uncle Colin's life and values continue to influence the KINGS family.

The day was not only a celebration but also a reminder of the pillars on which KINGS School stands integrity, excellence, compassion, and perseverance. Founder's Day became a bridge between the past and the future, urging us to carry forward the legacy with renewed dedication.

At KINGS School, this day is more than a memory it is a living tribute to the heart of our institution, inspiring us to dream bigger and walk with purpose.

A Colourful Journey Through the Seasons

08-08-2025

Our Kindergarten recently came alive with the magic of nature as we celebrated Seasons Day. The entire block was transformed into a vibrant showcase of Spring, Summer, Monsoon, and Winter, each corner capturing the beauty and charm of the changing seasons.

The morning began with excitement as children arrived in delightful seasonal attire: floral dresses for Spring, cool cottons for Summer, umbrellas and raincoats for Monsoon, and cosy sweaters for Winter. Their presence turned the campus into a moving rainbow of colours and smiles.

Walking through the hallways was like stepping into nature's storybook. Creative artwork made by the children adorned the walls: flowers in bloom, glowing suns, raindrops dancing, and snowflakes twinkling. Each piece reflected their imagination and understanding of the seasons.

One by one, classes gathered in the Activity Hall for their turn to shine. The little ones performed role plays, sang songs, recited rhymes, and shared facts about each season with confidence. From the warmth of summer holidays to the joy of winter festivals, they explained how every season adds beauty and meaning to our daily lives.

The celebration continued with seasonal games, stories, and even an exploration of foods and clothing linked to each time of the year. Laughter and cheer filled the air as our young learners immersed themselves in this colourful learning experience.

By afternoon, our journey through Spring's bloom, Summer's shine, Monsoon's rhythm, and Winter's sparkle was complete. It was a day of fun, discovery, and joyteaching children not only about seasons but also about the wonders of nature's cycle.

INDEPENDENCE DAY CELEBRATION

The morning of 14th August 2025 was filled with excitement as our Kindergarten block came alive with the colours of the nation. Tiny footsteps echoed in the hall ways as children arrived, few proudly dressed in hues of saffron, white, and green. Some carried little flags, others wore badges, but all had the same sparkle of pride in their eyes.

The celebration began with special assembly. The programme soon unfolded into a vibrant showcase of talent. Children sang patriotic songs, their cheerful voices making every teacher smile with pride. The stage lit up with energetic dance performances, where swirling scarves and rhythmic steps told the story of freedom and joy. Some children came forward with short speeches, speaking with earnestness about our nation and its heroes, drawing applause from everyone. Though tender, their voices carried the power of innocence and love, filling the air with a sense of unity.

To deepen the meaning of the day, teachers guided the children through stories and interactive activities. Little ones listened wide-eyed as they learned about freedom fighters and the struggles that shaped our independence. These moments gently instilled in them the values of freedom, courage, and unity.

As the day drew to a close, the spirit of patriotism shone brighter than ever. The children left with tiny flags in their hands and wide smiles on their faces, chanting "Jai Hind!" with boundless enthusiasm. Their joy and innocence became the true tribute to our nation on its 79th Independence Day.

A Weekend of Talent and Creativity

22nd & 23rd August

22nd August was a day of colourful experiences across our Kindergarten block. The morning began with our Pre-KG Puzzle Competition, where the little ones excitedly solved picture puzzles, their faces glowing with the joy of discovery.

At the same time, our LKG children stepped into the world of imagination through the Clay Modelling Competition. With soft clay in their tiny hands, they moulded animals, fruits, and creative shapes, each creation reflecting their innocence and creativity.

The day reached its highlight with the UKG Fancy Dress Competition. Dressed as freedom fighters, community helpers, and imaginative characters, the children walked with confidence and pride, filling the stage with charm and colour. Their graceful twirls, thoughtful dialogues, and

lively presence left lasting smiles on every face. The competition was graced by our esteemed judge, Mrs. Sherine, who warmly honoured the participants for their efforts. As a mark of gratitude, our beloved Director, Mrs. Jeya Agnes Daniel, presented a memento to the judge.
